Mid-Florida Brittany Club

[Good Dog](#) is thrilled to announce that the Mid-Florida Brittany Club (MFBC) will be joining Good Dog as an official Club Partner!

At Good Dog, we are so inspired by the MFBC and the incredible work they do to support the Brittany breed. The MFBC is not only dedicated to promoting the breed through specialty shows, but also to educating the public about the versatility of this special breed. We established the [Club Partnership Program](#) to support our Club Partners, like the MFBC, in their crucial efforts to build a better world for our dogs.

As an official Club Partner, the MFBC will **receive an annual grant**, Club recognition on the Good Dog website, priority status offered to MFBC members who apply to Good Dog, and much more! **The MFBC will use the annual grant from Good Dog to host their six annual events, including two Specialty Shows, two Hunt Tests and two Field Trials.** Additionally, they plan on hosting a member 'Family Fun Training Day' to introduce Brittany puppy owners to the outstanding abilities of the breed in areas such as agility and obedience, with the goal of providing education to puppy owners on how to keep their Brittany active and engaged. The annual grant from Good Dog will make such events more accessible to Club members and will help educate new puppy owners about the unique characteristics of the breed.

Join Good Dog to help change the conversation and support the good forces in the dog world – give dog breeders the recognition they deserve and make the world a better place for our dogs and the people who love them. [Click here to join Good Dog today!](#)
