

Mid-Florida Brittany Club is proud to be hosting a **Rick Smith Intermediate Seminar October 17-19, 2020**

At the Intermediate Seminar you are well on your way to having your dog trained using the Smith Method of Training! At this point, your dog has a solid foundation and has completed his whoa post work. The Intermediate Seminar will take you through the transition to the e-collar. This transition to light cues with an e-collar allows an off-lead heel, honoring another dog's point, and steadying your dog on game. This seminar enables you to move away from training with the mechanical cues of a rope. One-on-one sessions with Rick, combined with numerous opportunities for learning from dogs on their bird work, make this a particularly fun seminar.

PRICE: \$795.00 per person
